Old-Town Osaka Viewer on Android Device
Osaka University
July 27, 2012

Sumin Wang
Progress

- Became ill due to overexposure to harsh foreign climate
- Processed texture images so that names matched standards for 3ds files
- Processed texture images into JPEG format
Goals for Next Week

- Recuperate in full, adapt to foreign climate
- Add textures
A store with a passion for video games
Five stories of arcade games
3D racing game ... Not for the weak of stomach
Inside a capsule lies this virtual reality game
